Property Introduction

Occupying a stunning position with views across the beach and rugged coast, in this sought after north coast village location, this detached property is being sold chain free. Ideal as a holiday home or for holiday letting, there is also the potential to re-develop the plot to create a contemporary home to one's own specification, subject to the usual consents. Due to the construction of Brienz it is unlikely to be mortgageable, however it is presented to a high standard throughout and offers three double sized bedrooms, all of which enjoy a coastal outlook. The lounge/diner has virtually full width patio doors leading to an extensive decked patio, ideal for outside entertaining and with amazing coastal views. There is a fitted kitchen and a shower room on both floors. The property benefits from being double glazed and has electric heating. To the outside there is parking to the rear and the front is largely decked with stunning views across the sandy beach, harbour and out to sea. This unique home offers so much potential, viewing our interactive virtual tour is strongly recommended prior to arranging a closer inspection.

Portreath is a sought after coastal village noted for it's sandy beach and active harbour. Popular with surfers and bathers alike, the north coast footpath with it's stunning walks passes through the village and it is still possible to purchase crabs and lobsters from the local fisherman at the right time of year. The village has local shops, a bakery and a choice of public houses, all of which offer dining facilities. Schooling is available within the village for younger children, whilst senior education is available nearby at Redruth.

Ideally placed for access to the major transport routes, the A30 trunk road can be found within five miles and Redruth which is the nearest major town has a direct link to London Paddington and the north of England on the Great Western main line.
