## Property Introduction

Situated in a most favoured location, this is a rare opportunity to acquire a site for redevelopment located off a private drive from the sought after South Drive which leads to Tehidy Country Park. Currently there is a timber structure on the site which offers contemporary style open plan living with a double bedroom and shower room. The plot has permission in principal for demolition of the cabin and the construction of a single custom built dwelling, full details are available on Cornwall Council Planning Portal (PA24/08691). Alternatively, the cabin could remain for use as a unfettered dwelling as it benefits from a certificate of lawfulness, the details of which will be found again on the Cornwall Council Planning Portal (PA24/05647). The plot which occupies a Sylvan setting currently benefits from shared services from an adjacent property, our vendor has obtained quotes from South West Water and National Grid for the installation of mains water and mains electricity and these are available to interested parties. In summary, development opportunities in this favoured location rarely come to the market and viewing our interactive tour is advised to fully appreciate the setting prior to a closer inspection.

## Location

South Drive leads to the former Basset family home at Tehidy which is now an exclusive gated development and also leads to the Tehidy Country Park which is recognised as an area of outstanding natural beauty. Within a short distance is Tehidy Golf Course and the north Cornish coast will be found nearby at Portreath.

The property benefits from easy access to the A30 (the principal route to and from Cornwall) which is within half a mile and a mainline Railway Station will be found at either Camborne or Redruth which has direct links to London Paddington and the north of England.

The cathedral City of Truro, which is the county's commercial, educational and retail centre, is within commuting distance as is the university town of Falmouth on the south coast. Cornwall's airport at Newquay is within twenty four miles.

## ACCOMMODATION COMPRISES

The plot is approached via a private driveway off South Drive, which leads to four other properties. The plot is well defined with marked boundaries and there is ample parking and turning space.

Due to the Sylvan setting there would be a high level of privacy associated with any dwelling located on the site and to maintain the privacy in the area, the proposed dwelling would be of a single storey. Currently the dwelling on site, Oak Tree Cabin, consists of uPVC double glazed French doors opening to:-

### **OPEN PLAN LIVING SPACE 19' 2" x 11' 4" (5.84m x 3.45m)**

uPVC double glazed window to the front. The kitchen area has a range of base units arranged to form a breakfast bar and there is an inset circular bowl sink unit with mixer tap. Laminate flooring, wall mounted air conditioning unit for heating and cooling and inset spotlighting. Doors lead off to:-

### **BEDROOM 13' 4" x 7' 6" (4.06m x 2.28m)**

uPVC double glazed window to the side. Laminate flooring and wall mounted panel electric radiator. Inset spotlighting.

### **SHOWER ROOM**

uPVC double glazed window to side. A contemporary suite consisting of close coupled WC, pedestal wash hand basin and oversize shower enclosure with plumbed shower. Towel radiator and inset spotlighting. Part shower panelling to walls.

### **OUTSIDE**

At present there are lawned, well stocked gardens to the front and side together with a patio to the rear of the cabin ideal for outside seating.

### **SERVICES**

The services at present are shared with an adjacent property and as previously mentioned there will need to be services installed by the new owner.

### **AGENT'S NOTE**

The Council Tax band for the property is band 'A'.

### **DIRECTIONS**
