Location

The Boslowick area has always been popular in Falmouth, due to its proximity to the surrounding Primary Schools and Penmere Train Station that is half a mile away with regular trains throughout the day running to Penryn and the city of Truro, a regular bus service also runs to and from the town. The area is well served with a Co-Op shop, barbers and fish and chip takeaway.

The beautiful town of Falmouth is centred around one of the deepest natural harbours in the world and the sailing waters of the Carrick Roads are regarded as amongst the finest in the country. There are four beaches, whilst the town itself boasts a good range of niche retail shops and high street stores as well as quality restaurants and bars. Pendennis Castle stands at the entrance to the harbour, whilst the National Maritime Museum at Events Square is located in the heart of the town. Just a short walk from the house is a park and field to enjoy dog walks that leads to a further footpath out to Swanpool Nature Reserve.
