Property Introduction

Situated close to the centre of town, this terraced cottage is being offered for sale with no onward chain.

Benefiting from two bedrooms on the first floor, there is a separate lounge and dining room, a fitted kitchen and a shower room. The cottage is warmed by a gas fired boiler supplying radiators and there is double glazing.

To the outside the rear features a full width paved patio, ideal for sitting out on and steps lead down to a hard standing giving access to a garage/workshop with pedestrian access to the rear. The garage has been extended and this restricts access, however removing the extended section would create a usable garage for parking.

Ideal as a first home, viewing our interactive virtual tour is strongly recommended prior to arranging a closer inspection.
