Property Introduction

Offered for sale chain free, this garage link-detached bungalow requires some updating and modernisation.

Extended from the original design there are two double size bedrooms, a lounge and a kitchen/diner. In addition to the shower room one will find a utility room and to the front and rear there are generous conservatories. The external windows are double glazed, heating is provided by electric storage heaters and the garage is integral with the property.

To the outside the front garden is mainly lawned and a drive leading to the garage gives additional parking if required. To the rear the enclosed garden is largely lawned with a patio and is ideal for younger children and pets. There is a block built store shed and an attached storage shed.

Viewing our interactive virtual tour is strongly recommended prior to arranging a closer inspection.
