Property Introduction

This end of terrace home is in a most convenient location just a few steps away from the town centre.

The centrally heated and double glazed accommodation is arranged over two floors and briefly comprises living room and kitchen on the ground floor with two bedrooms and the family bathroom upstairs.

To the rear of the property there is a small courtyard with rear gated access.

Location

Penzance is the gateway to some of the most spectacular scenery that West Cornwall has to offer, including the infamous Minack Theatre, Land's End and St Michael's Mount (which you can see from the property).

The harbour and beaches offer a beautiful place to relax, whilst also of interest is the seafront with its promenade and the open-air seawater Jubilee Bathing Pool - one of the oldest surviving Art Deco swimming baths in the country.
