Property Introduction

Offered for sale with no onward chain, this semi detached bungalow has recently been the subject of extensive updating and modernisation. Extended to the rear, there are two double size bedrooms, the kitchen/dining room has been refitted and the lounge overlooks the front garden. Forming part of the upgrading, there is a contemporary style shower room featuring a doorless entry shower enclosure. Modern electric heating has been installed, together with uPVC double glazing.

Designed to be easy to maintain, the front garden is largely gravelled with an enclosed area offering a high level of privacy and ideal for sitting outside on sunny days. There is a driveway to the front which gives parking, whilst the rear garden, which is compact in size, also offers space for sitting out when the weather permits. Ideal as a first home and also well suited to retired persons, viewing our interactive virtual tour is strongly recommended prior to arranging a closer inspection.
