Property Introduction

Three bedrooms with an en-suite, off-road parking for two cars, a fully fitted designed kitchen with appliances, a level and lawned enclosed garden and loads of energy efficient features.....all wrapped up inside this brand new house, ready for its new owners.

Located on the Falmouth side of Redruth in a small cul-de-sac, this high quality home is being sold with no chain. There is air source underfloor heating to the ground floor with radiators heating upstairs, 'A' rated double glazed windows and doors and low energy downlighters on the ground floor. The en-suite and family bathroom are fitted with Kartell UK sanitary ware and in addition there is a useful ground floor cloakroom. Outside there is a large patio and lawn to the rear, accessed from the house or from a side path/gate with the garden being enclosed. There are also two parking spaces. We believe that this ticks many of the boxes that a family home should have. Why not come and see for yourself?

Location

The property is located less than one mile from the centre of Redruth, on the southern side of the town providing easy access to the nearby village of Lanner and on to Falmouth/Penryn if required. Falmouth has a wider range of recreational and shopping facilities with the cathedral city of Truro approximately twelve miles to the east. The A30 trunk road is also within close proximity providing road travel east and west. The village of Lanner offers a further range of services, places of worship, public houses and access onto the Lanner trail, an old mine working that provides off-road walking or biking.
