NS&W 25+

NOTTINGHAM SOUTH & WILFORD
INDUSTRIAL ESTATE
NOTTINGHAM · NG11 7EP

LOCATION

The units are located on the long established and highly sought after Nottingham South and Wilford (NS&W) Industrial Estate on the edge of West Bridgford, two miles south of Nottingham City Centre.

Access to the Estate is via Ruddington Lane or Landmere Lane, which in turn provides easy access to the A52 ring road. The M1 at J25 & 26 is accessed via the A453 and A52.

The Estate is adjacent to the NET Tram system and the location has its own Tram Stop. The tram provides ease of access to East Midlands Parkway via Clifton and Nottingham city centre through to Hucknall.

NS&W Industrial Estate is situated within Rushcliffe and is therefore outside of the Workplace Parking Levy.

MISREPRESENTATION ACT These particulars do not constitute part of an offer or contract. All descriptions, dimensions, reference to condition and necessary permission for use and occupation and other details contained herein are for general guidance only and prospective purchasers or tenants should not rely on them as statements or representations of fact and must satisfy themselves as to their accuracy. Neither HEB Surveyors, nor its employees or representatives have any authority to make or give any representation or warranty or enter into any contract in relation to the property. Rents quoted in these particulars may be subject to VAT in addition. The reference to any mechanical or electrical equipment or other facilities at the property shall not constitute a representation (unless otherwise stated) as to its state or condition or that it is capable of fulfilling its intended function and prospective tenants/purchasers should satisfy themselves as to the fitness of such equipment for their requirements. Prices/rents quoted in these particulars may be subject to VAT in addition. a) These particulars were prepared from preliminary plans and specifications before the completion of the properties and are intended only as a guide. They may have been changed during construction and final finishes could vary. Prospective purchasers should not rely on this information but must get their solicitor to check the plans and specifications attached to their contract. b) We have not made any investigations into the existence or otherwise of any issues concerning pollution of land, air or water contamination and the purchaser is responsible for making his own enquiries in this regard.
