DESCRIPTION

This charming and beautifully finished, detached countryside property has been completely re-imagined by the current owners in order to provide a warm and comfortable home that meets the needs of modern life whilst enjoying a traditional, semi-rural setting. Having been extended, remodelled and refurbished to a high specification, the versatile accommodation can be arranged with four bedrooms (including 3 en-suites) and three receptions, in addition to a sizable stylish kitchen, separate utility/boot room and walk-in pantry. Externally, the accommodation is complemented by some very pretty, thoughtfully landscaped gardens which include a formal pond and extensive seating area ideal for entertaining, all enjoying some breath-taking views of Dartmoor. Additionally, there is a good-sized parking area, garage, potting shed and terrace, making this a well-rounded home suitable for a variety of different lifestyles.

ACCOMMODATION

The accommodation has been finished with high-quality fixtures and fittings throughout, and benefits from low-level automatic lighting and underfloor heating in all bathrooms, along with numerous USB charging points in all rooms. The rooms all benefit from excellent natural lighting and the receptions have been oriented to enjoy a view of the garden. An entrance porch leads into the central hallway, which in turn provides access to each of the bedrooms and the hugely impressive kitchen. The three principal bedrooms are all served by en-suite bath or shower rooms, whilst the fourth leads through to a valuable home office or hobbies room. The kitchen is equipped with attractive cupboards and cabinetry with dekont quartz worktops incorporating 1.5-bowl stainless steel sink and drainer, plus a huge central island serving as a preparatory space and breakfast bar and a brand new Electric Aga R7 (available by negotiation). Off the kitchen is a wonderful walk-in pantry and a utility/boot room with space for the laundry appliances, leading out to the rear garden. Beyond the kitchen is a warm and inviting sitting room centered around a fireplace housing a logburning stove, which itself leads on to a dedicated dining room with bi-fold doors which again open out to the garden.

OUTSIDE

At the front of the property is a good-sized parking area leading to a garage with a wood store to the side and potting shed to the rear. Also at the front is a paved terrace with a fruit cage and seating area. The rear garden is an undoubted highlight, being mainly laid to lawn with well-stocked borders. To one side is a shaded, formal pond and further seating area, whilst running the length of the property itself is a large, south-facing sun terrace, ideal for entertaining or al-fresco dining.
