### DESCRIPTION

This is an exceptionally rare opportunity to acquire a chain-free, Grade II Listed character cottage in the desirable Dartmoor hamlet of Huckworthy Bridge. A cherished home to our client for over 50 years, the cottage is full of traditional features but in need of modernisation and improvement, and therefore offers tremendous scope for an incoming owner to mould the property to their tastes and requirements. The property has four bedrooms, two bathrooms and three receptions in all, although has recently been used as a 3-bedroom residence with an unofficial, self-contained 1-bedroom "annexe". Externally, the property is complemented by attractive cottage gardens and is served by ample off-road parking.

## ACCOMMODATION

Throughout the accommodation, there are a number of traditional period features and details of the property's age including exposed structural timbers, beams and stonework, sash windows, slate window sills, fireplaces and dado rails. The layout is briefly arranged as follows: a canopied porch entrance; the front-facing principal sitting room, centred around a substantial stone Inglenook fireplace currently housing a sizable log burner; a separate dining room; the kitchen, equipped with a range of cupboards and cabinets, with timber block worktops incorporating a Blanco ceramic sink and an oil-fired Aga with dual hotplates and a double oven; an attached garden room/store with patio doors out to the garden; a rear lobby with stairs to the first floor; three principal bedrooms, two of which are doubles and look out over the cottage's gardens and the other is a small single or study room, and; an attractively finished standalone family shower room.

Connecting doorways (currently partitioned) lead into the annexed section of the cottage, which is arranged with a side porch, hallway, cloakroom, kitchenette area (formerly a utility room), sitting room and an en-suite double bedroom on the first floor. Should a purchaser wish to continue to operate the annexe as an independent unit, we suggest they seek any and all necessary consents that may be required.

## OUTSIDE

A gravelled parking area provides sufficient space for several vehicles. Some pretty cottage gardens are set out to the front of the property and mainly laid to lawn, interspersed with mature shrubs and trees including a sizable magnolia. The garden offers considerable peace and privacy, and superb potential for keen horticulturists and those who enjoy the outdoors. To the side of the garden is a small walled courtyard featuring a stone and blockwork outbuilding with power and water.

## SERVICES

Mains water and electricity are connected. Oil-fired central heating. Private drainage via a shared septic tank. Purchasers are advised that the intention is for the property and its neighbour to separate onto their own individual drainage systems following the completion of the sale. Superfast broadband is available. Limited mobile voice service is available with Vodafone (source: Ofcom's online service checker). Please note that the agents have neither inspected nor tested these services. Single Council Tax Band: E.

## METHOD OF SALE - INFORMAL TENDER
