This property is located in an incredibly desirable, discreet position along a private cul-de-sac of just three properties, within yards of open moorland at Roborough Common, enjoying an excellent degree of peace, privacy and shelter. There are unlimited opportunities for walking, cycling and exploring all directly from the doorstep. For golf enthusiasts, Yelverton's popular Club and moorland course is located within 600 yards. Yelverton itself is an extremely popular and sought-after village on the fringe of Dartmoor National Park, providing an excellent range of day-to-day amenities with the parade of shops featuring a mini-supermarket, local butchers, delicatessen, cafe and pharmacy, whilst the village also has a GP Surgery, Texaco fuel station, Post Office and Veterinary Surgery, as well as a selection of eateries and a popular Free House, The Rock Inn. For the sports enthusiast, there are golf, cricket, tennis and bowling clubs. In all, Yelverton offers a very high standard of living with a wonderful sense of community.

DESCRIPTION

This superbly proportioned and versatile detached house has been a cherished home to our client for over 30 years. Originally a detached bungalow, the property was subject to considerable overhaul and improvement in the early 2000s, including significant outward and upward extension to create a first floor, resulting in a very impressive and extremely comfortable home of over 3,300sqft. Offering six bedrooms, three bathrooms and four receptions in all, the accommodation can be characterised as having large, well-configured and naturally well-lit rooms, most of which enjoy an attractive outlook over the property's wonderful, well-stocked gardens. Externally, the property is complemented by some mature and thoughtfully planted gardens that are awash with colour throughout the year, making this a superb proposition for keen gardeners as well as large and active families, and, with open moorland on the doorstep, those who enjoy an outdoor-oriented lifestyle. Finally, there is a good-sized driveway and an attached double garage providing parking.

ACCOMMODATION

The house is accessed beneath a covered entrance, initially into a porch, which in turn leads to a sizable reception hallway. The ground floor accommodation can then be summarised as follows: a triple-aspect sitting room centred around a gas fireplace in a stone surround, with patio doors out to the garden; a dedicated dining room with a large picture window overlooking the gardens and built-in storage cupboards; a study with a built-in workstation; the impressive, contemporary kitchen; a dedicated utility room, with internal access to the garage, and an adjacent laundry room; a side porch; a bright- dual-aspect breakfast/day room, with patio doors out to a paved seating area; a double bedroom with a fitted dressing unit and wardrobes, plus a large, stylish en-suite, and; a fully tiled standalone bathroom with built-in linen and cloaks cupboards.

Of particular note, the kitchen is equipped with an exceptional range of tasteful modern cupboards and cabinets with black granite worktops, incorporating a 1.5-bowl composite sink, plus a central island with additional storage and a breakfast bar. Integrated Siemens appliances included a multi-function induction hob, twin ovens and dishwasher.

On the first floor are the five principal bedrooms, including three generously sized double rooms - each with a view out to the rear gardens. The master suite is comprised of a large double bedroom, a dedicated dressing room with extensive fitted wardrobes, a private, decked balcony terrace overlooking the rear garden, and a very sizeable en-suite bathroom with a rain-style shower in addition to the bath.

OUTSIDE

The house is approached over a private drive into a parking area providing ample space for several vehicles and leading to the attached double garage, which has power and lighting, and remote-controlled access.

Both the front and rear gardens have been kept meticulously and comprise large areas of manicured lawns with very well-established and well-stocked borders which contain a colourful range of shrubbery and trees, including acers, camellias, hydrangeas and rhododendrons, plus cherry, rowan and larch trees. The gardens also contain a detached timber summerhouse and a tool shed. In the lower corner is a former pond, now a pretty seating area. The gardens are essentially south-facing and, in all, the plot amounts to 0.72 acres.
