SITUATION

This appealing parcel of riverside amenity land is situated in a peaceful, private and sheltered position between the settlement of Hoo Meavy and the moorland village of Clearbrook, within Dartmoor National Park. Open moorland is accessible within 500 yards to the west and half a mile to the east, providing incredible opportunities for active families and those with an outdoors-oriented lifestyle, and particularly those with equestrian interests. Clearbrook provides a public house and a village hall, and is known for its thriving community spirit.

Yelverton, 2 miles away, is an extremely popular and sought-after village on the fringe of Dartmoor, providing an excellent range of day-to-day amenities with the parade of shops featuring a mini-supermarket, local butchers, delicatessen, cafe and pharmacy, whilst the village also has a GP Surgery, Texaco fuel station, Post Office and Veterinary Surgery, as well as a selection of eateries and a popular Free House, The Rock Inn. The thriving market town of Tavistock, 7 miles to the north, offers extensive further facilities, whilst Plymouth city centre is some 8.5 miles to the south and offers the added attraction of its coastal access and a mainline rail service to London, with the A38 providing road links to the M5 at Exeter.

DESCRIPTION

This is an exceptionally rare opportunity to acquire an attractively located and hugely appealing parcel of amenity land with significant frontage to the river Meavy, including, we understand, both single

and double-bank fishing rights. The land extends to some 3.33 acres in all, encompassing a fenced paddock of approximately 2.38 acres, a section of the river itself and part of the far bank, an access track and a further area of natural verge alongside the track, which could provide space to create off-road parking. The paddock itself is mostly laid to pasture, and there is a small wooded glade in the southern section of the site, within which is a natural spring which flows into the river. There is access to the river for fishing or paddling from a couple of sand and pebbled point bars. The site would lend itself to general amenity, recreational or private camping use (under the 60-day permitted development rules), and has also been used as accommodation land for horses.

METHOD OF SALE - INFORMAL TENDER

The Property is offered for sale as a whole by Informal Tender. The closing date for tenders to be submitted is Thursday, 4th December 2025, at 12:00pm midday. An informal tender form is available from Stags; tenders are to be submitted in writing to Stags, Tavistock. Should an offer be accepted, we will require proof of your funding. In addition, under the Money Laundering Regulations 2017, it is a requirement for Estate Agents to perform due diligence checks on purchasers to verify their identity. This will be an online check undertaken by Stags. Please refer to the informal tender form. The vendors do not undertake to accept the highest or any offer received.
