One of just three apartments converted in 2008 from a large sail loft a few metres away from the vibrant waterfront and Brixham's deep water harbour. Tucked away behind an electronic gate with secure parking space. Close to hand are a terrific choice of restaurants, cafés, pubs and central shops. A wonderful location in which to enjoy harbour life with lovely walks along the water's edge.

Old Foundry Court offers spacious and stylish living with generously proportioned accommodation. The apartment would make a fine holiday home or a great "lock it and leave" Brixham base. The current owner has, over the last 4 years, upgraded and modernised the apartment even further creating a highly desirable central stylish property.

The apartments are approached via remotely operated gates just off the harbour end of Fore Street. There is a separate gate for pedestrians from Paradise Place at the rear of the development. Both lead into the courtyard and there is the door for the three apartments with a secure entry system. Flat 2 can be found on the first floor.

The Master Bedroom has a newly installed en-suite shower room. The contemporary, open plan kitchen and living area provides a great space for entertaining in this spacious apartment. The quality of fit and finish is high, with brushed steel socket and light switches, solid granite worktops in the kitchen including a range of integrated appliances. The benefits of modern construction are continued throughout with features such as full double glazing (installed approximately 4 years ago) and gas central heating making for a low energy consuming, economical to run property.

The property benefits from a second bathroom which was also recently replaced with a stylish contemporary suite adding to the overall appeal of the property and making it perfectly capable of accommodating a full house.

The apartment is leasehold (with share of freehold). Lease term 999 years from 1st December 2007. Service Charge for the year 2024 - £2328.48. Seller has paid the service charge up to January 2025.
