A fantastic opportunity to purchase a light-and-bright spacious apartment located in the heart of the ever popular 'Harbour Bowl' area of Brixham - as featured in many of the iconic shots of this bustling fishing port. The situation of the block affords a very brief walk down the winding historic narrow streets leading out to the water's edge.

The design of the building makes good use of the breathtaking direct harbour views from all the principal rooms and the balcony has a real 'front row' perspective of the action - making it an idyllic spot to take in Brixham's vibrant atmosphere whilst accommodating al-fresco dining or enjoying your favourite tippie. The property enjoys a very good degree of light throughout, benefitting from a South-facing aspect to every room.

The accommodation briefly comprises a good size hall serving the two double bedrooms, a good size bathroom and main living space which flows around to the kitchen/dining area, or to the balcony via a floor-to-ceiling sliding door, which really does make the most of the incredible views. The apartment has been well maintained throughout our vendor's tenure, however would now benefit from some modernisation to the kitchen and bathroom.

Service charge and contribution to the a reserve fund is currently £900.00 per annum. Constructed in the 1960's and with a 999 year lease and an equal share of the freehold. There is no restriction on long or short term letting this property, and it would make for a wonderful holiday-let investment or second home/bolthole, and is offered to the market with NO ONWARD CHAIN.
