A rare opportunity to acquire the FREEHOLD TITLE of a prominent town centre commercial unit with a two bedroom maisonette above (held on a separately owned long lease). The ground floor commercial entity has recently traded as a successful aesthetics practice, and is still loosely arranged as such - making for an exciting opportunity to pick up a semi-ready business to run with. Alternatively the unit could suit any number of commercial purposes - or could even be turned into residential accommodation (subject to relevant permissions etc).

The location is superb for any independent business, with excellent footfall owing to its town centre location and exceptional levels of passing traffic. A large shop window to the front provides a great opportunity for an eye catching window display, regularly seen by thousands of people.

The existing arrangement makes for a very light and bright spacious 'shop floor' with four separate treatment rooms (or offices etc), two storage cupboards, a separate WC and kitchen area, with access out to a small rear courtyard.

The two bedroom maisonette occupying the first and second floors (and accessed via Glenmore Road) has off-road parking and is separately held on a 199 year lease (from 25 December 1976 with a peppercorn ground rent of £25.00 per year)
