Situated in the highly-prized Copythorne area of Brixham, this exceptional bungalow enjoys an elevated position, receiving great light and enjoying an open outlook across the town. The property is perfectly positioned for easy access into and out of the town with some magnificent countryside and coastal walks all within easy walking distance of the property. There is also a bus service to hand from Copythorne Road just below. The town and harbour areas are just a five minute drive away.

Superbly maintained throughout, the accommodation is beautifully finished to a very high standard and offers a high-quality feel with a smart modern contemporary fitted kitchen with built-in appliances, plenty of cupboards and ample space for a central dining table. A stylish shower room services the property from it's central location off the hallway. There is also a separate WC for added convenience. The living space is a fantastic size, stylishly finished and enjoys a triple aspect with direct garden access through new bi-folding doors. There is an impressive multi-fuel burner inset to the chimney, creating a very cosy environment in the colder months whilst adding plenty to the aesthetics of the space!

Both bedrooms are excellent sized doubles, with the master bedroom, to the front of the property taking in a dual aspect with strong, open views East. There is plenty of built in wardrobe space and further room for chest of drawers etc. Bedroom 2 is again a generous sized double, well presented, with a charming outlook over the rear garden.

Outside, to the front there is a lush, green lawn flanked by a good size block paver driveway offering parking for two, leading up to a garage with a very useful workshop/store behind - this could be used for a variety of different uses from those looking for a hobbies or craft room or indeed those looking to work at home. The rear garden here is of particular note. A perfectly orientated South-West facing aspect which is bathed in sunshine all day. Beautifully landscaped to create several defined spaces including the patio off of the kitchen - ideal for BBQ's and entertaining, as well as the sunken fishpond - well stocked with fish and surrounded by colourful flowers - a real garden centrepiece! The fabulous raised deck to the top of the garden is the perfect spot for relaxing in the sun at the end of the day, and there is also a useful area to the side of the property which is laid to slate chippings for ease of maintenance.

The property enjoys gas central heating, serviced by a modern combi-boiler, and new UPVC double glazing throughout. These, combine with the burner in the lunge, makes the property warm and very efficient to run. Internal viewings on this property are highly recommended.
