Alston Farm Cottages is a charming development of Grade II listed homes, beautifully converted from the original farm buildings of Alston Farm. The cottages are arranged around a picturesque cobbled courtyard, which was once the farmyard, creating a warm and inviting atmosphere. Located on the outskirts of Churston Ferrers, the development offers a perfect blend of rural tranquility and modern convenience. Jade Cottage, in particular, occupies one of the prime positions within the complex, offering stunning views from its rear elevation that overlook the surrounding fields.

The location of Alston Farm Cottages is ideal for those seeking the peaceful charm of country living. Churston Ferrers is renowned for its natural beauty, surrounded by stunning countryside and within a two-mile radius of scenic country and coastal walks. The Dart Estuary and the nearby coves of Brixham are perfect for outdoor enthusiasts, while the location also provides easy access to Paignton and Brixham for shopping, dining, and recreational options. Additionally, the nearby towns of Dartmouth and Torbay are just a short drive away, offering a wide range of attractions.

The surrounding area is well-served by local amenities, including shops, schools, and recreational facilities. Churston Golf Club, Churston Steam Railway, and the main 12 bus route are only half a mile away, providing both leisure opportunities and easy transport links. For those who enjoy dining out, local pubs and cafes are within reach, further enhancing the convenience of the area. Whether you are seeking a tranquil retreat or a base to explore the local countryside and coastline, Jade Cottage offers an ideal location.

Inside the property the character of the original farm building has been beautifully preserved while seamlessly incorporating modern features. Entering through a traditional stable door, you are greeted by a spacious, bespoke hand-built kitchen/dining room. The kitchen is crafted with high-quality materials, including white quartz worktops, real wood-lined wall and base units, and an inset Belfast sink. The multi-ring range adds practicality, and the large kitchen space offers ample room for a dining table, making it an excellent place for family meals or entertaining guests.

The kitchen flows into the generous living room, which is one of the standout features of the home. The room's vaulted ceiling creates a sense of space, complemented by exposed wooden beams that highlight the property's heritage. Large windows and a skylight flood the room with natural light, while the central wood-burning stove adds warmth and charm, making this a cosy space for relaxing or hosting gatherings.

On the first floor, the two principal bedrooms offer a sense of space and character. One of the bedrooms benefits from an en-suite shower room, offering privacy and convenience, while the other is a spacious main bedroom with a dressing area. Both rooms enjoy views of either the garden or the fields beyond. The bathrooms are finished to a high standard, with the main shower room featuring a recently updated, large walk-in shower.
