The principal bedroom is dual-aspect and has a lovely outlook towards the coastline. Another double bedroom features built-in wardrobes, while the third bedroom, although smaller, would make an ideal child's room or study.

The family bathroom is smartly finished, offering both a bath and shower facilities, with modern tiling and fittings throughout. It provides a comfortable space for the whole household.

A real highlight of the home is the fourth bedroom suite, located off a secondary staircase near the entrance hall. This versatile space has its own en suite shower room and offers privacy and independence — perfect for visiting guests, older children, or multi-generational living.

Outside, the front garden is attractively laid to lawn with mature borders and a smart paved driveway that provides off-road parking and access to the garage. The home sits well within its plot, with side pathways leading to the back.

The rear garden enjoys a sunny, southerly aspect and is thoughtfully landscaped with both level lawn and patio areas, ideal for outdoor dining and relaxing in the warmer months. A raised seating area and summerhouse provide additional charm and space.

In summary, this lovely family home combines practical living with a superb location by the coast. With no onward chain and versatile accommodation, it's ready to move into and enjoy. Viewing is highly recommended.
