This one-bedroom semi-detached house is situated on Garrow Close in Brixham, offering a great opportunity to acquire a home in a quiet and tucked-away location, yet still within easy walking distance of the town centre. The property is clean and tidy throughout, providing a comfortable living space as it is, while also offering excellent scope for modernisation and personalisation. With allocated parking, a good-sized garden, and double glazing, it's a practical and appealing option for first-time buyers, downsizers, or investors alike.

On the ground floor, the property features a welcoming entrance hallway that leads directly into a bright and spacious living room. This room is a lovely focal point of the home, offering plenty of natural light and comfortable space for relaxing or entertaining. From here, French doors open out onto the rear garden, creating a seamless indoor-outdoor connection that's perfect for enjoying warmer days. The living room also gives access to useful downstairs storage, providing a handy solution for keeping household items neatly tucked away.

The kitchen is accessed from the living room and is arranged in a galley style, offering a practical layout with good worktop and storage space. While fully functional, the kitchen would benefit from some updating, allowing a new owner the chance to design it to their own taste and style. The property is fitted with electric heaters and a gas hot water system, making it straightforward to maintain.

Upstairs, the first-floor landing leads to a well-proportioned double bedroom with ample space for furniture. The bedroom has a bright and airy feel, making it a comfortable retreat at the end of the day. Adjacent to the bedroom is a good-sized bathroom, which, like the kitchen, would benefit from some modernisation to create a fresh, contemporary space.

Outside, the property features a mainly level rear garden with fenced boundaries, offering privacy and a pleasant outlook. It's a lovely space to relax, entertain, or further landscape to suit personal preferences. The garden can be accessed directly from the living room through the French doors, making it ideal for those who enjoy spending time outdoors.

Additional benefits include allocated parking and PVCu double glazing throughout. Located in a peaceful, tucked-away position yet within easy reach of Brixham town centre and its amenities, this property combines convenience with potential. With a little updating, it could become a charming and comfortable home in a desirable location.
