About this property

Whilst Bramhall village is within easy reach with all its bars and restaurants, there are also a number of shops along Fountains Road including a useful convenience store offering daily supplies. The accommodation itself includes an entrance hall leading to a large living room/dining room. A galley style kitchen sits adjacent to the main reception room. Whilst the kitchen is functional currently, it is easy to imagine and design a sleek new modern look to suit any personal requirements. Likewise, the family bathroom provides a simple white suite but with some clever upgrades the bathroom could be transformed to include a wet room, with everything from walk in shower based designs or even a modern frameless shower enclosure. With some imagination buyers could create something to suit their own taste and budget. There are two double bedrooms both of which include a variety of fitted storage cupboards. The inner hallway also includes several storage cupboards for additional convenience. Externally there is a double driveway leading to a single detached garage. The rear garden is south facing and includes a patio area and lawned garden, all of which is easy to maintain. It is evident from the street scene that some bungalows have been extended and this property is likely to offer the same development potential to be able to improve the layout and size (STPP) No Onward Chain
