The Accommodation

The front door has a stone bonnet over and leads into the sitting room, which has a stone fireplace with log burning stove and shelves either side. Beyond is a spacious kitchen/breakfast room that has been recently updated with an excellent range of units and natural stone tile flooring. Stairs lead off to the first floor and a door leads to the cloak/utility room at the rear with a toilet, butler's sink, the boiler and plumbing for a washing machine. On the first floor are two double bedrooms, one with built-in wardrobes and Victorian fireplace. The shower room to the rear is a good size and has been recently renovated with large walk-in shower. On the landing there is plenty of storage with a wardrobe, over-stair cupboard and also the airing cupboard housing the hot water cylinder.

Outside

The south facing and walled rear garden is paved with well stocked shrub borders. There is a side gate providing the benefit of rear access, through the neighbouring gardens, to a passageway to the side of number 10.
