The Accommodation

This beautifully designed detached bungalow with attic conversion, recently completed by locally based B2 Building Services Limited, offers spacious, versatile accommodation finished to an exceptional standard throughout. One of six new homes, built of natural stone and fibre cladding, with anthracite aluminium double glazed windows, it meets the latest energy efficiency standards. Its traditional design is in keeping with the rural surroundings.

The welcoming reception hall leads to a stunning open-plan kitchen/living/dining room featuring a log burner and bi-fold doors opening out to the garden – ideal for modern living and entertaining. The ground floor master suite boasts a luxurious ensuite shower room, and a walk-in dressing room. A second reception room, utility room, and cloakroom complete the ground floor accommodation. Upstairs, a light-filled, spacious landing leads to a study and two well-proportioned double bedrooms, both with ensuite shower rooms – perfect for guests or family members.

Outside, the property is enclosed by attractive stone walls, with a fully enclosed rear and side garden featuring a patio area and a lawned finish, ideal for children, pets, and outdoor entertaining. An integral single garage provides secure storage or parking, complemented by driveway parking to the front.
