BROWN & CO

BROOKDALE FARM

MOORHOUSE
NEWARK, NG23 6LS

DESCRIPTION

Rarely available lifestyle opportunity and a nature lover's paradise, Brookdale Farm is a stunning combination of beautiful family home blending character and contemporary accents, an array of traditional buildings, previously consented for holiday-lets with much further potential. Secluded amongst undulating countryside in grounds extending to approximately 9.7 acres, approximately half of which is dedicated to nature and wildlife.

All four bedrooms have excellent en suite facilities in wet room style, there are three reception rooms of individual character plus a bespoke oak sunroom, perfect for family gathering and commanding views over rear grounds and a study too. The kitchen is luxuriously appointed and a central hub for the home. Several ancillary rooms complete the living space.

Vehicle distribution is excellent and there are two accesses from Ossington Road, enhancing the multi-use nature of this fine property

The stable block flanking the principle electric gated driveway is presently configured as garage and stabling with four boxes, but lends itself to annexe living arrangements, home working, studio etc., subject to all statutory consents.

The main range of buildings is a crew yard arrangement of traditional two storey, one and a half storey and single storey buildings, presently refurbished to deliver good quality home office, and gymnasium together with machinery stores, general storage etc. The buildings previously benefitted from planning permission to create two holiday lets meaning Brookdale Farm is well suited to those seeking potential second income streams. The buildings hold potential for other uses, subject to all statutory consents.

LOCATION

Brookdale Farm is situated in a wonderful location amidst gently undulating North Nottinghamshire countryside. Its location and generous grounds mean it offers a good degree of privacy and seclusion but equally lying on the edge of the modest hamlet of Moorhouse, it is not isolated.

Moorhouse is readily accessible to nearby Tuxford and the larger town of Newark where a full range of residential amenities, healthcare, leisure and entertainment may be found.

Although the property is rural with an array of footpaths, lanes and bridleways to explore the countryside, Moorhouse is also well positioned for an excellent transport network. The A1 is nearby for commuting and accessing the wider motorway network. Newark offers direct rail service into London Kings Cross (approx. 1hr 18 mins).
