Simpson West

Occupying a highly attractive position within this much sought after road, is this rarely available and much improved THREE/FOUR bedroomed semi-detached property which also benefits a highly established, excellent sized plot that simply must be seen if it is to be truly appreciated. This superb family home provides accommodation to include an entrance porch, reception hall, cloakroom/WC, living room, a re-fitted kitchen/dining room which includes a range of integrated appliances and there is also a separate utility room. A garage conversion links perfectly to the utility area and provides bedroom four/family room. The first floor provides three bedrooms and a refitted family bathroom. Outside, there is an open plan block paved frontage with a driveway providing OFF ROAD PARKING for several vehicles, whilst the rear garden leads with a decked patio with a pergola surround onto a further patio area beyond with the remainder of the garden being predominately laid to lawn with shrubs to borders. There is a further patio area set to the rear boundary, which is a perfect place to enjoy the setting, there is also a garden shed set to this area. We strongly recommend an early visit to the property if genuine disappointment is to be avoided! Energy Rating D.
