

An exceptional and versatile property offering a rare blend of residential and semi-commercial potential, previously run as a successful bed & breakfast. Featuring a separate one-bedroom annex currently generating rental income (£550 PCM), the property also lends itself well to being a spacious family home. Located just a short stroll from the vibrant market town of Uttoxeter.

A standout feature of the property is the installation of solar panels, significantly enhancing energy efficiency and reducing ongoing running costs.

With convenient transport links to the A50, M1, M6, and nearby towns such as Derby, Stoke, and Stafford—as well as a local train station and the renowned Uttoxeter Racecourse—this property is ideally placed for both lifestyle and connectivity. The main residence features generous and flexible living space across two floors, including five bedrooms (three en suite), multiple reception rooms, and a modern kitchen. Externally, the home benefits from ample parking and a private, low-maintenance rear garden.

Viewing by appointment only.
