

Bakers Lane, Doveridge, Derbyshire, DE6 5LA
Offers In Excess Of £416,000

Nestled in a tranquil and beautifully landscaped plot, The Cottage on Bakers Lane is a delightful and deceptively spacious period home full of character and charm. Surrounded by mature planting and enclosed by timber fencing for privacy, this property offers a rare opportunity to enjoy peaceful village living with a wealth of versatile accommodation, generous gardens, multiple entertaining areas, and even a garden room ideal for a home office or studio.

The home blends traditional features such as exposed beams and trusses with thoughtful modern additions, including an upgraded kitchen and stylish bathrooms. With off-road parking, a detached garage with workshop space, and a raised decking area for alfresco dining, The Cottage is perfectly suited to families, professionals working from home, or anyone seeking a charming retreat with contemporary comforts.

The property is available for sale with no upward chain and vacant possession.

Viewing by appointment only.

Outside

Set behind timber panel fencing, the property enjoys a high level of privacy, enhanced by mature silver birch trees, herbaceous borders, and established planting throughout. A private driveway offers off-road parking and leads to a detached garage, which also includes a useful workshop area. A garden gate opens to a delightful outdoor space with a block-paved path, gravel and soil borders, and a mainly laid-to-lawn garden. An easement allows access for maintenance to the rear of the property.

A raised timber decking area provides the perfect platform for outdoor dining and entertaining, complemented by a sunken seating area—ideal for relaxing or social gatherings. At the edge of the garden stands a detached timber-framed garden room with double doors and two side windows, complete with power, making it an ideal home office, studio, or peaceful garden retreat.

Porch

Timber front door opens into the entrance porch with UPVC double glazed side windows, a meter cupboard housing the electrical consumer unit, alarm system, and electric meter.
