Accommodation

High Garth is a stone-built dormer bungalow with accommodation across two floors. The interiors would benefit from modernisation, but overall the property is in good condition, with UPVC windows and doors throughout. Entering from the front hallway, a cloakroom offers a ground floor w.c. and basin to the left, then entrance to the spacious open-plan lounge diner with dual aspect windows.

The kitchen sits to the rear of the property with dual aspect windows offering far reaching rural views, and provides storage space with two large pantry/stores. An internal door leads to a rear porch/boot room, and an external door opening onto the rear garden.

A ground floor double bedroom with multiple built-in storage cupboards can be accessed from both the lounge and kitchen and provides potential for further living space.

The first floor, leading from stairs in the lounge, provides two generously sized double bedrooms either side of the landing, one with built-in wardrobes. A family bathroom is offered with a bath, basin and w.c.

Externally, the property comprises of a private gated driveway with parking for multiple vehicles, and a stone built single garage. Bounded by drystone walling, a front lawned garden offers mature shrubs, flower beds and path around to the rear. The rear garden backs onto fields and has a larger lawn in immaculate condition, well-maintained flower beds, and a small paved patio area offering outdoor seating space.
