## DESCRIPTION

This bay fronted family house occupies an enviable position in the higher part of Hale Barns just a few hundred yards from the revitalised shopping centre and a similar distance to the highly regarded Elmridge primary school. The locality is also well placed for access to the surrounding network of motorways and Manchester International Airport.

The accommodation has been re-planned to include a naturally light full depth sitting/dining room with French windows opening onto the paved rear terrace. A spacious fitted kitchen with Shaker style units and integrated appliances provides access to a rear hallway with cloakroom/WC and utility room beyond.

At first floor level there is a spacious principal bedroom with built-in wardrobes, a further double bedroom and generously proportioned single bedroom served by the modern shower room/WC with attractive tiling and fitted with a white/chrome suite. There is also a separate WC.

Importantly the loft space has been converted to create a double bedroom with built-in wardrobe and fully tiled shower room/WC.

Gas fired central heating has been installed together with double glazing.

An additional feature is the grounds which include a paved terrace approached from both the sitting/dining room and rear hallway. This attractive setting is laid mainly to lawn with surrounding mature trees and a westerly aspect to enjoy the sunshine throughout the day and into the evening. Occupying an exceptional corner plot there is also further potential to increase the size of the living space, subject to obtaining the relevant permission.
