DESCRIPTION

Positioned at second floor level this larger than average retirement apartment occupies an excellent position within this ever popular development. There are views over the well stocked and superbly maintained grounds towards the adjacent tree lined park.

The development is also one of the most popular in the locality. In part this is due to the ideal location being a few hundred yards from the village of Hale and the railway station and a little further into the shopping centre of the market town of Altrincham. Equally the building has been carefully designed with attractive elevations and all the facilities of a McCarthy and Stone development including a resident house manager, careline system within the apartment, kitchen, laundry and guest suite which may be reserved for visiting friends and relatives at a relatively modest cost. There is also a thriving community with regular social events mainly held within the resident's lounge which is tastefully furnished and appointed.

The accommodation includes a private entrance hall, sitting room with commanding views towards Springbank Park and overlooking the well tended courtyard gardens, a larger than average naturally light fitted kitchen with integrated appliances, generous double bedroom with built in wardrobes and tiled bathroom/WC.

Heating is by means of slimline storage radiators, convector heaters and the windows are double glazed.
