Gas fired central heating and PVCu double glazing. Driveway providing off road parking. Landscaped rear gardens with a high degree of privacy. Much further potential subject to approval.

POSTCODE: WA15 0RS

DESCRIPTION

Longacres Road forms part of a popular residential locality developed in the immediate vicinity with detached properties of varying design set well back beyond the grass verge and tree lined carriageway. Less than a ½ mile distance is the revitalised village centre with its range of individual shops which also includes a supermarket and Costa Coffee. The location is also well placed for access to the surrounding network of motorways and Manchester International Airport and lies within the catchment area of highly regarded primary and secondary schools.

This modern detached family house has been well cared for and, although ready for immediate occupation, presents an excellent opportunity to remodel to individual taste. Surrounding properties have been extended and replanned and there is much further potential, subject to obtaining the relevant consent.

The well presented accommodation is spacious and well balanced throughout with an enclosed porch leading onto a wide entrance hall with spindle balustrade staircase returning to one side. Positioned toward the front there is an elegant sitting room with the focal point of a marble fireplace surround and glazed sliding doors open onto the separate dining room. In addition, the naturally light conservatory enjoys delightful views across the gardens and French windows provide access to the paved rear terrace. The adjacent kitchen benefits from a range of integrated appliances and the adjoining side porch provides a useful utility area and access to the attached garage. Completing the ground floor is a modern cloakroom/WC located off the entrance hall.

At first floor level there are three superbly proportioned bedrooms and family bathroom/WC.

Gas fired central heating has been installed together with PVCu double glazing.

The landscaped rear gardens are laid mainly to lawn with well stocked flower beds and importantly substantial hedged borders to create a high degree of privacy. Externally to the front there is off road parking within the paved driveway and attached garage.

ACCOMMODATION
