DESCRIPTION

This attractive semi detached house was constructed in the early part of the 20th century to a traditional bay fronted design with rendered and brick elevations surmounted by a slate roof. Positioned in a highly popular location approximately half a mile distance from Hale village with its range of individual shops, fashionable restaurants and bars and railway station that provides a commuter service into Manchester. Furthermore there are delightful tree lined views across neighbouring fields and there is easy access to country walks within the Bollin Valley.

The superbly presented accommodation incorporates rooms of generous proportions and great care has been taken to retain much of the original character complemented by tasteful décor and quality contemporary fittings, all of which combine to create an exceptional family home.

Upon entering the feeling of space is apparent with a wide entrance hall leading onto an elegant sitting room with the focal point of wood burning stove set upon a stone hearth. Also approached from the entrance hall is the stunning open plan living space incorporating a seating area with fitted furniture and adjacent dining kitchen enhanced by Shaker style units, matching centre island and range of integrated appliances. In addition, French windows open onto the stone paved rear terrace which is ideal for entertaining during the summer months. Forming part of the extension there is a useful utility room and a well appointed cloakroom/WC completes the ground floor.

At first floor level there are three excellent double bedrooms and generous single bedroom all with fitted wardrobes and family bathroom/WC complete with separate shower enclosure.

Gas fired central heating has been installed together with double glazing throughout.

Externally the block paved driveway provides off road parking and the rear gardens are laid mainly to lawn with well stocked borders and wall/fence perimeter.
