DESCRIPTION

Woodhead Road is situated in what has become one of the most fashionable and sought after areas in Hale and this substantial, charming and outstanding detached residence stands within a delightful and leafy cul de sac which encompasses individually designed prestige homes.

Constructed circa 1937 in a traditional style and subsequently extended and remodelled to create a stunning interior yet retaining much of the original character.

Positioned approximately half a mile to the west is the vibrant village of Hale with its range of individual shops, restaurants and bars and a little further the market town of Altrincham with its highly popular Market Hall and Metrolink station providing a commuter service into Manchester. The property is also well placed for the revitalised village of Hale Barns, the surrounding network of motorways and lies within the catchment area of highly regarded primary and secondary schools.

Attractive in appearance with partially rendered elevations the property is also beautifully presented internally. The accommodation has been re-planned and refurbished incorporating fittings of quality complemented by tasteful decor. Positioned toward the front is a generously proportioned and elegant sitting room with the focal point of a period style fireplace surround. Double opening doors lead onto a garden room which is currently used as an office and may prove invaluable for those who choose to work from home. In addition to providing adaptable living space the garden room features French windows approaching a loggia which creates a covered seating area with pleasant views across the grounds. Also approaching the stone paved rear terrace from two sets of French windows is an impressive open plan living/dining kitchen with ample space for both seating and dining alongside an exquisite fitted kitchen with full range of integrated appliances and substantial matching centre island incorporating a breakfast bar. Furthermore, there is a useful utility room with external access and a cloakroom/WC completes the ground floor. At first floor level the primary suite comprises spacious double bedroom with a comprehensive range of fitted furniture and modern en suite bathroom/WC. There is an additional double bedroom with luxurious en suite shower room/WC, double bedroom with fully tiled en suite shower room/WC and two further double bedrooms served by the sumptuous family bathroom/WC complete with free-standing bath and separate shower enclosure.

Gas fired central heating has been installed together with a pressurised hot water system and double glazing throughout.

The rear gardens are certainly a feature with full width stone paved terrace which is ideal for entertaining during the summer months and steps down to an expanse of lawn surrounded by well stocked borders and a variety of mature trees all of which combines to create an attractive setting with a high degree of privacy. Importantly with a westerly aspect to enjoy the sunshine throughout the afternoon and into the evening.

The driveway provides ample off road parking and the integral garage benefits from a remotely operated door.
