DESCRIPTION

This waterside development was constructed circa 2006 and designed by Foster and Partners in conjunction with Urban Splash. Environmental sustainability was at the heart of the project and combined with contemporary internal fittings alongside stunning architecture this high specification apartment represents stylish modern living in a highly popular location.

The property is positioned adjacent to the award winning town centre of Altrincham with its highly popular Market Hall which contains a variety of establishments including small independent retailers and informal dining options. Navigation Road Metrolink station provides a commuter service into Manchester and the area is well placed for the surrounding network of motorways. In addition, a short distance to the south is John Leigh Park with tennis courts and recreation areas.

This well presented first floor apartment is arranged over three levels and the welcoming entrance hall leads onto a contemporary fitted kitchen with integrated appliances and ample space for a dining suite. The staircase provides access to a naturally light living room with stunning vaulted ceiling and full width glazing which incorporates a sliding window opening onto the external private decked seating area. Stairs continue to a landing with scope to create a study area and the primary bedroom benefits from a dressing area which in turn opens onto an en suite shower room. Furthermore, there is an additional double bedroom and well appointed bathroom/WC.

Central heating has been installed together double glazing throughout.

There is also the added advantage of an allocated underground parking space.
