DESCRIPTION

This double fronted detached bungalow occupies an enviable position in a quiet cul de sac comprising three detached properties of individual design. The location is ideal with local shopping nearby and a little over a mile away is the vibrant village of Hale with its range of individual shops, restaurants and wine bars and train station providing a commuter service into Manchester. A little further is Altrincham town centre with its highly popular Market Hall which contains a variety of establishments including small independent retailers and informal dining options. The property also lies within the catchment area of highly regarded nursery, primary and secondary schools and is well placed for access to the surrounding network of motorways.

The accommodation is well presented and tastefully decorated throughout and approached beyond a recessed porch. The L-shaped entrance hall leads onto a spacious sitting room with small paned bay window and the focal point of a tiled fireplace surround. The superbly proportioned dining room is over 18' in length and the adjoining kitchen is fitted with Shaker style units and integrated appliances. An adjacent morning room benefits from delightful views across the rear gardens and there is a useful utility room. In addition, the study may prove invaluable for those who choose to work from home. Forming part of the extension there is a generous living room and naturally light conservatory with access to the stone paved terrace which creates an ideal space for al fresco entertaining during the summer months. The ground floor is completed by two excellent double bedrooms, bathroom and separate WC.

To the first floor there are two further double bedrooms and shower room/WC.

Gas fired central heating has been installed together with partial PVCu double glazing and although ready for immediate occupation there is also an opportunity to remodel to individual taste.

Externally the driveway provides off road parking for two cars and the double garage features twin up and over doors. The attractive surrounding grounds have been carefully planted to include a variety of mature shrubs and trees with the aforementioned terrace incorporating steps up to the gardens laid mainly to lawn.
