DESCRIPTION

Grove Lane is well placed being approximately one mile distance from the centre of Hale with its range of individual shops, fashionable restaurants and train station and also lies within the catchment area of highly regarded primary and secondary schools. A little further is Altrincham town centre with its highly popular Market Hall that contains a variety of establishments including small independent retailers and informal dining options and the Metrolink station which provides a commuter service into Manchester. Furthermore, there is easy access to the surrounding network of motorways.

This traditional bay fronted semi detached family house has been extended to create a generously proportioned sitting/dining room and the adjacent kitchen has been refitted with modern white units. Importantly planning permission has been granted for a substantial two storey extension at the side and rear: Trafford Planning Reference 110911/HHA/23.

The refurbished and tastefully decorated accommodation is approached beyond an enclosed porch and entrance hall with attractive herringbone flooring continuing seamlessly into the family room which is currently used as a home office. Positioned toward the rear is the aforementioned sitting/dining room with clearly defined areas and provision for a wall mounted flat screen television in addition to sliding windows opening onto the paved rear terrace. The kitchen benefits from a range of integrated appliances and a side porch provides access to the gardens. Completing the ground floor is a well appointed cloakroom/WC.

At first floor level there are three excellent bedrooms, two of which feature contemporary fitted wardrobes, and luxurious shower room/WC with white suite, matt black fittings and crittall effect walk-in shower screen.

Gas fired central heating has been installed together with PVCu double glazing.

Externally the driveway provides off road parking for two cars with provision for EV charging and additional parking is available within the detached garage. The landscaped rear gardens have been carefully designed for ease of maintenance and the paved seating areas are ideal for entertaining during the summer months with a southerly aspect to enjoy the sunshine throughout the day.
