DESCRIPTION

Newington Court is a select development of just twelve apartments and forms part of one of the most highly favoured locations within the Bowdon Conservation Area. The Firs has long been sought after, not least because of the attractive tree lined setting and local Croquet Club. In addition, the shopping centre of Altrincham is approximately half a mile distance with its highly popular Market Hall which contains a variety of establishments including small independent retailers and informal dining options. The Metrolink station provides a commuter service into Manchester and the area is well placed for the surrounding network of motorways. Equally just a little further is the fashionable village of Hale with its range of restaurants, wine bars and individual shops.

Positioned at ground floor level there are superb views over the beautifully maintained grounds in a southerly and westerly direction and the delightful communal gardens are certainly a feature being laid mainly to lawn, unusually large and bordered by a variety of mature trees.

Approached beyond a recessed porch and elegant communal reception area the interior is superbly proportioned and tastefully decorated throughout. The private entrance hall has provision for storage and double opening doors lead onto the naturally light reception rooms. With the focal point of a period style fireplace surround and marble hearth the spacious sitting room is separated by an archway from the adjacent dining room which is ideal for formal entertaining and the generous kitchen features a range of integrated appliances alongside a peninsula breakfast bar. The primary bedroom benefits from a range of bespoke fitted furniture and en suite shower room/WC whilst a further double bedroom is also complemented by modern fitted wardrobes. Completing the accommodation is a bathroom/WC with white suite and chrome fittings.

Gas fired central heating has been installed together with PVCu double glazing.

Externally there is resident and visitor parking and importantly a garage with remotely operated door.

Viewing is highly recommended.
