DESCRIPTION

We are delighted to present this very attractive and superbly presented end terraced home. Representing one of the larger style original Victorian homes on the street, the property sits on the edge of the award winning town of Altrincham, and is also within easy walking distance of Hale village. The very generously proportioned accommodation briefly comprises entrance hallway with original wood flooring, separate living and dining rooms with feature fireplaces, a brand new extended fitted kitchen, two excellent sized double bedrooms and modern bathroom/WC. There is also a generous basement cellar chamber. Gas central heating and PVCu double glazing throughout.

There is also great opportunity for lovely walks at the end of the street, with open fields backing onto Altrincham Golf Course, and the extremely picturesque King George V Pool. This artificial lake was constructed in 1910 to celebrate the King's Coronation, and is a haven for wildlife with a footpath running around the pool. The excellent transport system the town provides is all within a 5 minute walk.

Set back from the carriageway, this attractive home has many original features, including cast iron fireplaces in the bedrooms, and wood flooring to both the entrance hallway and front living room. Superbly decorated throughout, the home further benefits from new carpeting throughout and a new boiler fitted within the last 12 months.

Externally there is a small front garden laid with attractive stone aggregate, and a decent sized courtyard style garden to the rear. There is the additional benefit of the alleyway to the side, which sits within the curtilage of the property.
