POSTCODE: WA15 0BN

DESCRIPTION

This traditional detached bungalow is set well back beyond the grass verge and tree lined carriageway and occupies an enviable position within this highly favoured locality. The interior provides superbly proportioned living space combined with an excellent opportunity to re-model to individual taste. Although the property requires modernisation there is also much further potential, including redevelopment of the site, subject to obtaining the relevant approval.

The accommodation is approached beyond an enclosed porch and spacious entrance hall which in turn leads onto a naturally light sitting room complete with feature fireplace and glazed sliding doors opening onto the separate dining room. The adjacent kitchen is fitted with Shaker style units alongside a range of integrated appliances and there is access to the rear gardens.

Two generous double bedrooms benefit from built-in furniture and are served by a shower room and adjoining WC.

Although not compliant with current building regulations the partially converted loft space has been configured to incorporate two naturally light loft rooms which have previously been used as bedrooms.

Gas fired central heating has been installed together with PVCu double glazing.

Externally the delightful grounds are well screened from the road and laid mainly to lawn with paved rear terrace which is ideal for entertaining during the summer months.

Ample off road parking is provided within the driveway and there is a detached garage beyond with twin doors.

Chapel Lane contains a variety of detached properties standing within mature gardens all of which combine to create an attractive setting. Well placed for access to the surrounding network of motorways and Manchester International Airport and with local shops available within the revitalised village centre. The property also lies within the catchment area of highly regarded primary and secondary schools.
