DESCRIPTION

This modern detached family house has been extended and refurbished by the current owners to create stunning open plan living space with the benefit of quality fittings alongside well conceived planning and superb interior design.

The beautifully presented accommodation is approached beyond an enclosed porch and entrance hall which in turn leads onto an elegant sitting room with the focal point of a recessed fireplace and stone hearth set beneath a natural wood mantel. Pocket-doors allow access to the spacious and naturally light living/dining kitchen with vaulted ceiling, glazed gable and bi-folding windows which open onto the exceptional rear gardens. The kitchen is fitted with Shaker style units complemented by quartz work-surfaces and integrated appliances and, importantly, features a substantial matching centre island with breakfast bar. Completing the ground floor is a modern cloakroom/WC and the integral garage incorporates a useful utility area.

At first floor level there are three genuine double bedrooms each with delightful views and the bathroom is fitted with a traditional style white suite complete with roll-top bath and separate shower enclosure.

Gas fired central heating has been installed together with PVCu double glazing. Furthermore, there is underfloor heating to the living/dining kitchen and bathroom/WC.

The grounds include a paved rear terrace which is ideal for entertaining during the summer months and there is an additional stone paved seating area to take advantage of the sunshine. The expanse of lawn is surrounded by timber retained flowerbeds and a fence/hedge perimeter provides screening. There is also off road parking provided within the driveway.

Melrose Cresnet lies within the higher part of the development and contains a variety of detached houses set beyond the grass verge and tree lined carriageway within plots that would be considered exceptional by today's standards. The property is positioned opposite the entrance to Halecroft Park with its range of sports facilities, open spaces, ornamental gardens and play facilities. In addition, local shops are available within the revitalised shopping centre of Hale Barns and the position is also ideal being within the catchment area of the highly regarded Well Green Primary/Nursery School.
