DESCRIPTION

This contemporary purpose built development was constructed circa 2007 and this particular apartment occupies a superb position on the fourth floor with the added advantage of tree lined views toward the undulating hills of the Peak District. Importantly the substantial balcony is ideal for al fresco dining during the summer months and benefits from a commanding outlook in the direction of Manchester city centre. Importantly, the living space and both bedrooms enjoy this outstanding aspect.

The beautifully refurbished accommodation is superbly presented throughout and approached beyond a secure communal reception area with lift and staircase to all levels including the under-croft resident's parking area with remotely operated gates providing external vehicular access.

The elegant private entrance hall incorporates a generous utility cupboard and additional storage cupboard and features large format porcelain tiles which continue seamlessly into the generously proportioned open plan living space. The current owners have recently replaced the kitchen units and integrated appliances and there is ample space for a dining suite alongside a spacious sitting area which in turn opens onto the composite decked balcony. The primary bedroom benefits from a comprehensive range of fitted wardrobes and an en suite shower room/WC. In addition, there is a further double bedroom also with fitted wardrobes and a sumptuous shower room/WC complete with luxurious walk-in shower.

Electric heating has been installed together with double glazing throughout.

Tivoli House is well placed being positioned adjacent to the award winning town centre of Altrincham, with its highly popular Market Hall which contains a variety of establishments including small independent retailers and informal dining options.
