DESCRIPTION

Great Oak Drive is a purpose built development constructed circa 2005 and contains a variety of properties in an interesting period design set within manicured grounds all of which combines to create an attractive setting in a sought after location. The approach is through double opening wrought iron gates and leads to a parking area with an allocated space in addition to a number of visitor spaces.

The apartment is positioned on the second floor and central heating has been installed together with PVCu double glazing throughout. Unusually, there is a substantial covered balcony which enjoys tree lined views and is ideal for entertaining during the summer months.

A secure communal reception area with staircase to all levels provides access to a vestibule shared by just two apartments and in turn leads onto the private entrance hall with built-in airing cupboard. The accommodation is largely arranged for open plan living and the spacious sitting/dining area features a contemporary fireplace and importantly French windows which open onto the decked balcony. The adjacent kitchen is fitted with a comprehensive range of units complemented by integrated appliances. The generously proportioned primary bedroom benefits from fitted furniture and an en suite shower room/WC, whilst the second bedroom is served by a modern bathroom/WC.

The location is ideal being adjacent to the shopping centre of Altrincham with its highly popular Market Hall which contains a variety of establishments including small independent retailers and informal dining options. The Metrolink station provides a commuter service into Manchester and the area is well placed for the surrounding network of motorways. In addition, the property also lies within the catchment area of highly regarded primary and secondary schools. Importantly, the peaceful wildlife habitat of King George V Pool with its woodland walks and popular fishing site is approximately 250 yards to the east.
