## DESCRIPTION

Constructed circa 2005 this modern development has been sympathetically designed to create four bay fronted houses of Victorian design. The location is ideal being adjacent to the fashionable village of Hale with its range of restaurants, wine bars and individual shops. In addition, the shopping centre of Altrincham is approximately ½ a mile distance with its highly popular Market Hall that contains a variety of establishments including small independent retailers and informal dining options. The Metrolink station provides a commuter service into Manchester and the area is well placed for the surrounding network of motorways.

Arranged over three floors this attractive end of terrace house is superbly presented and generously proportioned throughout with period style features such as corniced ceilings and modern enhancements including double glazing, gas fired central heating and a pressurised hot water system.

Well screened from the carriageway and approached beyond a recessed porch, the wide entrance hall leads onto an elegant sitting room with angular bay window to the front elevation. The desirable open plan living space is positioned to the rear and benefits from French windows opening onto a stone paved rear terrace which is ideal for entertaining during the summer months. This naturally light living/dining kitchen features a range of Shaker style units complemented by polished granite work-surfaces and integrated appliances and there is ample space for a dining suite alongside a sitting area. Completing the ground floor is a useful utility room and cloakroom/WC.

At first floor level the primary suite comprises double bedroom, dressing area with fitted wardrobes and luxurious shower room/WC. Furthermore, there is a full width living room with fitted media unit and potential to be used as an additional bedroom, if required.

To the second floor two excellent double bedrooms with fitted furniture both provide access to a modern bathroom/WC.

Externally the landscaped rear gardens are laid mainly to lawn with mature borders and there is gated access to the car port and parking space.
