DESCRIPTION

Green Drive is a sought after residential location containing houses of traditional design well set back from the carriageway and standing within mature surroundings. Occupying an enviable position being approximately ½ a mile distance from the village centre of Timperley and a little over one mile to the comprehensive shopping centre of the market town of Altrincham. Also within easy reach are the Metrolink tram stations at Timperley and Navigation Road. In addition the area is well placed for highly regarded primary and secondary schools.

This attractive semi-detached family house has been constructed to a traditional design characterised by a full height bay window and partially rendered elevations beneath a tiled roof. The landscaped grounds are an undoubted feature and enjoy a high degree of privacy. Laid mainly to lawn with carefully designed borders and complemented by a full width stone paved terrace which is ideal for entertaining during the summer months. There is a further seating area with matching stone paving and importantly the rear gardens benefit from a southerly aspect to enjoy the sunshine throughout the day.

The substantially extended accommodation is approached beyond a covered porch and the elegant entrance hall leads onto a spacious sitting room with wide bay window and herringbone Karndean flooring which is present throughout the ground floor. Positioned toward the rear there is a stunning living room with the focal point of a stone fireplace surround and wood burning stove and bi-folding windows open onto the paved rear terrace. The generously proportioned kitchen features Shaker style units and integrated appliances and provides ample space for a dining suite plus internal access to the integral garage. Completing the ground floor accommodation is a well appointed cloakroom/WC.

At first floor level the primary bedroom benefits from a full length range of fitted wardrobes finished in high gloss alongside a further double bedroom, generous single bedroom and luxurious family bathroom/WC. There is also a double bedroom with fitted wardrobes and fully tiled en suite shower room/WC.

Gas fired central heating has been installed together with PVCu double glazing.

The wide block paved driveway provides parking for two cars with an integral garage beyond and there is secure gated access to the rear.
