DESCRIPTION

Finchale Drive is a sought after cul de sac development containing bungalows of similar age, set well back beyond the grass verge and tree lined carriageway. The delightful surroundings are further enhanced by mature landscaped gardens, all of which combine to create an attractive setting. Although obviously well cared for there is an opportunity to remodel to individual taste and many of the bungalows have been extended or re-planned and subsequently there is much further potential, subject to obtaining the relevant approval.

The property is well placed for the revitalised village centre of Hale Barns which includes Asda supermarket and Costa Coffee and just a short walk from the popular Halecroft Park. The location is also within the catchment area of highly regarded primary and secondary schools and there is easy access to the surrounding motorway network and Manchester Airport.

This double fronted semi detached bungalow is approached beyond a pattern impressed driveway which extends to the side providing ample off road parking plus access to the detached garage.

The accommodation includes a central hallway adjoining both the breakfast kitchen and living/dining room. The spacious reception room features a marble fireplace surround with living flame gas fire and the kitchen is fitted with Shaker style units complemented by wood effect work surfaces and provides ample space for a breakfast table. There is also an adjacent study which may prove invaluable for those who choose to work from home

An inner hall leads onto the naturally light sitting room with sliding windows which open onto the paved rear terrace which is ideal for entertaining during the summer months. In addition, there is a generous double bedroom with built-in wardrobes and a bathroom/WC at ground floor level.

To the first floor two excellent double bedrooms with dormer windows are served by a shower room/WC and there are two substantial eaves storage areas.

Externally at the rear the well maintained gardens are laid mainly to lawn with well stocked borders and importantly a southerly aspect to enjoy the sunshine throughout the day.
