DESCRIPTION

This traditional double fronted detached bungalow is set well back from the grass verge and tree lined carriageway and stands in a magnificent site extending to approximately 0.3 of an acre with surrounding lawns to the front, side and rear alongside well stocked borders and screening provided by a variety of mature trees. Although well cared for with PVCu double glazing and gas fired central heating the bungalow would benefit from internal modernisation and there is tremendous potential for further remodelling or complete redevelopment, subject to obtaining the relevant approval.

Hale Barns is well placed for all amenities with access to the M56 motorway approximately one mile away and with local shops in the revitalised village centre which include Asda supermarket and Costa Coffee. The property is within the catchment area of the highly regarded Elmridge Primary and Nursery School and a little over half a mile distance is the Cheshire green belt with country walks toward the Bollin Valley.

The accommodation is approached beyond an enclosed porch and spacious entrance hall with a through sitting/dining room to one side. This open plan living space is generously proportioned and features a contemporary fireplace complemented by decorative ceiling mouldings. Access to the naturally light conservatory is through sliding windows and there are delightful tree lined views across the grounds. The kitchen is fitted with matching units and integrated appliances and the adjacent entrance vestibule leads onto a useful utility room and the attached double garage.

The excellent dual aspect primary bedroom is fitted with wardrobes and there is a further double bedroom, single bedroom and shower room/WC.

Externally there is off road parking for several vehicles within the block paved driveway and the surrounding gardens enjoy the sunshine throughout the day and into the evening.
