DESCRIPTION

The Paddock is an exclusive cul de sac development of modern sympathetically designed detached houses which retain much of the character from earlier years combined with all the benefits of contemporary construction.

This fine family house has been refurbished by the current owners and is positioned within close proximity to open countryside and approximately one mile distance from the village of Timperley with its range of individual shops, supermarkets, restaurants and bars. A little further is the award-winning town centre of Altrincham with its highly popular Market Hall which contains a variety of establishments including small independent retailers and informal dining options. The Metrolink station provides a commuter service into Manchester and the area is well placed for the surrounding network of motorways and Manchester airport. The property also lies within the catchment area of highly regarded primary and secondary schools.

The accommodation has been carefully planned and ideally arranged for both entertaining and family life with reception rooms of generous size and interesting proportions. Upon entering the feeling of space is apparent and the entrance hall forms a welcoming reception area with double opening glazed doors leading onto an elegant full depth living room with the focal point of a marble fireplace surround and French windows to the paved rear terrace. A separate dining room is ideal for formal entertaining and opens onto a superb breakfast kitchen refitted with contemporary units and matching centre island complemented by quartz work-surfaces and a full range of integrated appliances. There is also an adjacent sitting room with fitted media units, a useful utility room and well appointed cloakroom/WC.

At first floor level the superb primary suite comprises double bedroom with dressing area, fitted furniture and luxurious en suite shower room/WC. Three further double bedrooms also feature fitted wardrobes and there is a modern family bathroom/WC complete with separate shower enclosure.

Gas fired central heating has been installed together with PVCu double glazing.

The rear gardens are certainly a feature being laid mainly to lawn and surrounded by a variety of mature trees and shrubs to create a high degree of privacy. The paved rear terrace is approached from both the living room and breakfast kitchen and is perfect for al fresco dining during the summer months. An additional decked seating area overlooks neighbouring fields and importantly benefits from a southerly aspect to enjoy the sunshine throughout the day.

The driveway provides ample off road parking and there is a detached double garage with twin doors.
