DESCRIPTION

This individually designed detached house lies within a highly favoured locality containing substantial family homes of varying age and design. In recent years several properties in the vicinity have been re-developed and there is also an excellent opportunity to remodel the existing accommodation to individual taste. Occupying a superb corner plot the grounds are certainly a feature with lawned gardens to three sides and a southerly aspect at the rear to enjoy the sunshine throughout the day.

In addition to the further potential the well planned living space incorporates rooms of generous size and includes a dual aspect living room with feature fireplace and French window opening onto the paved rear terrace, which is ideal for entertaining during the summer months. The adjacent sitting room benefits from delightful views across the rear gardens and also leads onto the aforementioned paved terrace through sliding windows. Completing the ground floor is a spacious fitted dining kitchen and cloakroom/WC.

At first floor level there are four/five excellent bedrooms and a bathroom/WC.

Gas fired central heating has been installed together with partial PVCu double glazing.

Externally the driveway provides off road parking and a side porch also provides access to the car port with attached garage beyond.

Churchfields is well placed for the surrounding network of motorways, Manchester International Airport and the village of Hale with its individual shops, restaurants and bars. A little over a mile to the north is the comprehensive shopping centre of Altrincham with its highly popular Market Hall and Metrolink station. The property also lies within the catchment area of highly regarded primary and secondary schools.

In conclusion, a detached family home on a spacious corner plot in a highly sought-after location, presenting a wonderful opportunity to remodel or redevelop, subject to obtaining the relevant approval.
