This unique collection blends modern luxury with a deep respect for its surroundings, offering a rare opportunity to own a home that celebrates both heritage and forward-thinking design.

POSTCODE: WA15 6QQ

DESCRIPTION

The Saplings Phase 2 is an exclusive development of just five exceptional homes comprising two contemporary semi-detached and three distinguished detached properties, beautifully positioned in the historic village of Timperley. This unique collection blends modern luxury with a deep respect for its surroundings, offering a rare opportunity to own a home that celebrates both heritage and forward-thinking design.

The two front detached homes have been designed with traditional heritage architectural features that compliment Timperley’s historic character. Externally, they boast timeless detailing and are finished in high-quality sandstone, creating a sense of presence and permanence.

The three homes to the rear adopt a more modern aesthetic, offering striking, clean-lined exteriors while maintaining a cohesive, high-end look across the site. Every home at The Saplings has been crafted with meticulous attention to detail—inside and out. From expansive open-plan kitchen and dining areas to dedicated home offices, media walls, and luxurious en-suite bedrooms, these homes are made for contemporary living. Bi-fold doors open onto private gardens, while interiors are finished to an impeccable standard with smart technology and energy-efficient features throughout.

All five homes benefit from private driveways, with Plots 4 and 5 offering the added exclusivity of secure, gated entrances. Sustainability is at the heart of The Saplings, with every home EPC A-rated and equipped with integrated solar panels, air source heat pumps, and the option for energy storage—ensuring reduced running costs and a lighter environmental footprint.

Located in one of Greater Manchester’s most desirable areas, The Saplings Phase 2 combines suburban tranquillity with unbeatable connectivity. Outstanding schools, green spaces, local amenities and the vibrant Altrincham town centre are all within easy reach, making it the perfect place to put down roots.

THE DEVELOPER

P.I.C Homes began with a shared passion for creating warm and inviting homes, offering families the finest in luxury living. Our developments aren't just about beautiful architecture; they're about creating homes that grow with you over time, providing not just a space but a place to truly call your own. Our homes are designed to be both functional and spacious, creating the perfect family environment. It's this careful balance that defines the cozy and high-quality atmosphere you'll find in all of our developments. We've consistently aspired to offer the area's highest quality homes, rendering them not only unique but also a truly luxurious addition to the local community. As founders, we keep our core values close to heart in every development. These aren't just houses; they're homes we would be proud to share with our own families.

Founders: Armaan Chohan & David Strettle

AWARD WINNING DEVELOPMENT

Building on Award-Winning Foundations

P.I.C Homes is proud to uphold the high standards established by The Saplings Phase 1, which was named Small Housing Development of the Year at the Insider North West Residential Property Awards 2025. Delivered in collaboration with CODA Studios, the development at 119–121 Park Road, Timperley was celebrated for its exceptional architectural quality and its seamless blend of traditional character with modern design. The scheme combined the creation of elegant new-build homes with the restoration of a heritage asset into a contemporary home, striking a perfect balance between luxury and legacy. Judges also praised the development's thoughtful response to specific family care needs, showcasing a deep understanding of how great design can enhance everyday living.

This recognition reflects the care, creativity, and attention to detail that define every P.I.C Homes project. The Saplings Phase 2 builds on that ethos—delivering a refined collection of homes that embody architectural distinction, modern comfort, and a true sense of belonging in the heart of Timperley.
