DESCRIPTION

Hart Street forms part of a popular residential locality containing terraced houses mainly of similar age and varying design combining to create an attractive setting. Approximately ¼ of a mile distance is the comprehensive shopping centre of Altrincham with its highly popular Market Hall which contains a variety of establishments including small independent retailers and informal dining options. The Metrolink station provides a commuter service into Manchester and the area is well placed for the surrounding network of motorways. The location is also ideal being within the catchment area of highly regarded primary and secondary schools.

The accommodation is superbly presented throughout and a recessed porch with composite front door leads onto the welcoming entrance hall. Positioned towards the front of the property is a separate bay fronted sitting room with provision for a wall mounted flat screen television and a wide opening to the dining room with French windows to the courtyard garden. An archway opens onto the impressive fitted kitchen designed by Wells & Hewitt and features Shaker style units, quartz work-surfaces and a range of integrated appliances.

The cellars have been converted to create a further sitting room or fourth bedroom alongside a well appointed cloakroom/WC and small utility area.

At first floor level the primary bedroom benefits from contemporary fitted wardrobes and a luxurious en-suite shower room/WC. There are two further bedrooms and a family bathroom/WC with a modern white suite with chrome fittings.

Externally the driveway provides off road parking whilst to the rear is a private courtyard garden.
